Belgian Air Force Days 2026

Florennes Air Base

Belgian Air Force Days 2026
Saturday 27 June 2026
Sunday 28 June 2026

Application procedure

Trade stands

The Belgian Air Force will organize its traditional Belgian Air Force Days on 27 & 28 of June 2026

Vendors can apply to set up a trade stand at our event, which will automatically include both days. It is mandatory to be present during both event days. To apply for a trade stand, we kindly ask to send the following :

Company name , commercial activity type and chosen Option A or B (see below)
To info@belgianairforcedays.be

This mail will be used to generate & send the contract/convention document and the invoice for your participation.

As soon as the invoice is paid and the required document is signed by the vendor, all practical details for the events will be sent by mail.

The number of trade stands is limited, so please subscribe as soon as possible. The application for trade stands will be closed on the 12th of June 2026.

General conditions:

Applications for the Belgian Air Force Days include automatically both event days.

All vendors should comply at all times to the local and event obligations if they would change in the meantime. The organization will keep the vendors informed about possible changes herein.

Vendors can offer any type of goods for sale, with the exception for food and beverages which cannot be sold by external vendors.

Access to the showground

Each vendor has access to the show ground with one car on the day of the event and it can be placed behind its pavilion. Each vendor will receive three entry passes for his personnel. Additional vehicles can be parked at our traders parking outside the public area free of charge.

Important Note - Infrastructure:

The organization will not provide pavilions to its traders to operate their stand. The traders need to bring their own tent or trailer and are responsible for the mounting, security of the material and the cleanliness of the site.

All pavilions must of course fit in the reserved dimensions of the space : option A with 6 m x 5m or option B with 12 m x 5m

Our organization is convinced that the infrastructure upgrade will have a positive impact on the customer experience and to an extend the sales.

Prices 2026:

Trade stand fee BAFDAYS 2026 Saturday and Sunday :

OPTION A (30m²) with 6m (width) X 5m (deep) : € 600,00

OPTION B (60m²) with 12m (width) X 5m (deep) : € 900,00

In every allocated space, a regular power 220V will be supplied by the organization at no additional cost.

The BAFDAYS organization is not responsible or liable to any damage to the vendor material (pavilion, tent, trailer,..) and to any injuries of the vendor's personnel.
